from Haddon Township Crew Club

Haddon Township Crew is pleased to offer an opportunity to purchase a New Concept 2 Model w/PM3 Monitor at a reduced price. Normally priced at around \$1050, **HT Crew is offering the Model D with PM3 for just \$825** – and this includes shipping and handling.

## MODEL D with PM3 Monitor

*The dependable performance of the Model D Indoor Rower has made it the best selling indoor rower in the world. Recognized by competitive rowers as the standard for indoor training, the Model D delivers an effective cardiovascular workout that will increase your fitness level and tone your physique. At a fraction of the cost of other home fitness equipment or a yearly gym membership, you can have the luxury of working out in your home whenever you choose...and get a great workout to boot. The Model D is efficiently engineered and will last a lifetime. This is the same machine used by Olympic- and elite-level athletes to train for their sport—it'll take the abuse of heavy training day after day. Now available in light gray or black. Indoor rowers backed by limited 2year and 5-year warranty.*
